vs.)	AND ORDER
)	
ALICE PEDROZA,)	
)	
Defendant.)	

I have received a letter from the defendant in which she seeks the appointment of counsel in order that she might seek post-conviction relief. However, the defendant has not filed a motion for post-conviction relief, and her request for appointment of counsel is therefore premature. As a result,

IT IS ORDERED that:

1. The Clerk of the Court shall file the letter from the defendant and docket the letter as a motion for the appointment of counsel.
2. Treated as a motion for appointment of counsel, the defendant's request is denied without prejudice to the timely filing of a motion for post-conviction relief and appointment of counsel.
3. The Clerk of the Court shall mail to the defendant at her last known address a form for the filing of a 2255 motion and such other related forms as are typically provided by the Clerk to pro se litigants seeking relief from a federal conviction.
